The collage consists of several screenshots arranged in a grid-like structure:

- Top Left:** A user interface for tourism point queries. It includes a "退出" (Logout) button, a "旅游景点查询" (Tourism Point Query) button, and a "美丽的云南" (Beautiful Yunnan) image.
- Top Middle:** A map of Yunnan Province showing various tourism points like Bai Dagu Lake, Black Dragon Pool, and Dali Three Pagoda Tourism Area. Below the map are buttons for "平移" (Pan), "全图" (Full Map), "关闭" (Close), "5A景区查询" (5A Scenic Spot Query), and "热门景点查询" (Hot Spot Query).
- Top Right:** A detailed map of Lijiang, Yunnan, with a night view of a street scene on the right.
- Middle Left:** A map of Yunnan with specific regions highlighted in orange. Below it are buttons for "平移", "全图", "关闭", "5A景区查询", and "热门景点查询". A tooltip for "5A景区查询" displays information about Xishan Forest Park.
- Middle Right:** A detailed map of Lijiang with a night view of a street scene on the right. Below it are buttons for "平移", "全图", "关闭", "5A景区查询", and "热门景点查询". A tooltip for "热门景点查询" displays information about Lijiang Ancient City.
- Bottom Left:** A login interface for "My to GO". It features a background image of travel items, input fields for "Username" and "Password", and a "Log In" button.
- Bottom Middle:** A screenshot of a tourism search interface. It lists platforms like Ctrip, Qunar, and Baidu Travel. A tooltip for "5A景区查询" shows results for Xishan Forest Park, Landian Colorful Sand Forest, etc.
- Bottom Right:** Two dialog boxes for querying scenic spots. The left one is titled "热门景点" (Hot Spot) and the right one is titled "5A景点" (5A Scenic Spot). Both show lists of scenic spots and "Query" and "Cancel" buttons.
